Ten heavy AA guns were emplaced in the southwest corner of the Tuerstenwalde (M 53/V 33) airfield. A sentry with a telescope was on top of the flight control station. To indications of an intended occupation by a Soviet Air Force unit were observed. There was no flying.

25X1A Comment:

No air force unit is assumed to be stationed at the Euerstenwalde airfield. The occupation of the field by a Soviet AAA unit was confirmed by other sources.
